

e.b.b. flow  
creative space  
a place where **every body belongs.**

Thanks for booking your tattoo with me, I'm looking forward to seeing you soon! You'll find me at Blissful Heart just outside of the heart of downtown Bend on Greeley Ave. I work on a campus with many other independent businesses and artists. It can be tricky navigating where to go the first time— here are some step by step instructions with photos!

Please call me with any concerns :) 541-722-8008

take a peek

make a note

This is the front of campus! You are welcome to park anywhere out here on the street— it's all either 2 or 3 hour parking. They generally don't ticket— but that's not to say they haven't in the past!

This ramp is just to the right of the blue door in the first photo. If you head through the gate at the end you will reach the courtyard.

When you enter the gate into the courtyard, take a left and follow the path to THIS little blue cottage. #31! You can come on up the stairs and into that reddish door. (I usually open it before appointments!)

If you need ramp access, follow the path past the cottage and turn right, and you'll come to a red/brown wooden ramp much like the color of the entry stairs at the front of the cottage. There's a door in the back that enters into the space as well! You're welcome to use that door.

Don't want to park on the street?!  
No problem!

Follow Greeley all the way around the corner past the yellow buildings with vans labeled "Green Savers" and turn right into the alleyway.

You can park in any spot with a "Blissful Heart Patrons" labeled sign. Once you find a spot to park look for this gate!

This gate will take you to the back entrance of the campus. You can come in the back door of #31 "the cottage" or come around to find the front door in the first few photos!
